For the MHealth Insured Select 1000 only, PLEASE NOTE: You have the option to choose a Consumer Choice of Benefits Health Insurance Plan that, either in whole or in part, DOES NOT PROVIDE STATE-MANDATED HEALTH BENEFITS NORMALLY REQUIRED IN ACCIDENT AND SICKNESS INSURANCE POLICIES IN TEXAS. A standard health benefit plan may provide a more affordable health insurance policy for You although, at the same time, it may provide You with fewer health benefits than those normally included as state-mandated health benefits in policies in Texas. If you choose a standard health plan, please consult with your insurance agent to discover which state-mandated health benefits are excluded in this policy.

2. MEDICAL COVERAGE SELECTION

Please note: Additional UniCare plans cannot be offered with MHealth Insured plans. That means that if an MHealth Insured plan is selected, only another MHealth Insured plan can be offered.
