Please select one of the MHealth Insured plans below, then continue completing the employee application.

For the MHealth Select 1000 plan only, please note that you have the option to choose a Consumer Choice of Benefits Health Insurance Plan, that either in whole or in part, DOES NOT PROVIDE STATE-MANDATED HEALTH BENEFITS NORMALLY REQUIRED IN ACCIDENT AND SICKNESS INSURANCE POLICIES IN TEXAS. A standard health benefit plan may provide a more affordable health insurance policy for you although, at the same time, it may provide you with fewer health benefits than those normally included as state-mandated health benefits in policies in Texas. If you choose a standard health benefit plan, please consult with your insurance agent to discover which state mandated health benefits are excluded from the plan.
